

CONFIDENTIAL

6 July 1965

MEMORANDUM FOR: DD/I

1. I would appreciate your examination and analysis of the adequacy of the size and the scope of your Department primarily responsible for analyzing the political and economic trends in various parts of the world, including scientific and technical trends, all of which are available within the open news media.

2. It is my wish to organize, on a methodical and possibly more comprehensive basis, adequate examination of available intelligence data provided by non-covert means.

Signed/W. F. Raborn
